State of Utah  
Division of Water Rights  
Attn.: Lee Sim, P.E.  
1636 West North Temple, Suite 220  
Salt Lake City, UT 84116-3156

Dear Mr. Sim:

Due to concerns expressed to us by water users in the Milford Area Distribution System, we the committee request that another meeting of the water users be convened. The purpose of this meeting being to reconsider and further discuss the two methods of water regulation previously voted on by the water users.

It is our opinion that the previous vote was premature due to the fact that water users did not fully understand the implications of the alternatives.

Sincerely,

A handwritten signature in cursive script, appearing to read "Keith B. James".
